

The Old Bakery Wine List

Selecting the wine...

Authenticity is what sets the Old Bakery apart from other restaurants. Real food, cooked with incredible pride and passion. Creating a wine list that reflects the dishes has been an incredibly enjoyable task: searching for wines that reflect where they come from, are individual and in some way tell you a little about the person that crafted them. We have stuck to the Old World, no 'fruit-bombs' here! We wanted balance in the wine, wines with some structure and texture, but also a little restraint. We wanted wines that were designed to be enjoyed at the table, appreciated over a long meal; wines to be savoured.

** Billecart-Salmon is one of the few remaining Champagne houses to be owned by the original family and was established in 1818 by Nicolas-François Billecart.*

Most of Billecart-Salmon's fruit comes from a small vineyard holding, though this is supplemented with grapes bought in from the Marne Valley and the Montagne de Reims. Meticulous production techniques, from the use of their own cultured yeast to its long, slow, cool fermentation, ensure that the family has 100% control of production.

Billecart-Salmon is renowned for the quality of its delicate rosé, while the Brut Réserve (a blend of three vintages) is a beautifully harmonious and balanced wine.

Very much a wine trade secret, its reputation in France is without equal.
